External Researcher Registration

Please complete using block capitals:

Name:

Permanent address:

Contact phone number or email:

Company or institution:

Subject of research:

General Data Protection Regulation 2018: Information provided by you on this form will be processed by the Westminster Menswear Archive for the purposes of managing access to archive material and the facilities at the Westminster Menswear Archive. Your personal data will not be passed to other organizations except as required (or permitted) by law. Researcher Registration details are securely stored for a period of 5 years to provide staff with a record of your visit and research interests, after which time all personal data is deleted. Occasionally we contact a researcher if relevant material is discovered after your visit.

Researcher undertaking:

Please read the Regulations for Access carefully before signing this document.

I have been given a copy of the Regulations for Access.

I have read and agree to abide by the Regulations for Access.

I consent to my registration details being retained by the Westminster Menswear Archive.
